**Note:** \*The schedules for CBTP courses can be adjusted by the respective colleges as per the time frame agreed upon. Accordingly, the class and exam schedules should be adjusted in order to fit them into semester's schedules.

\*\*Tutorials shall also be arranged in line with the schedule of the particular course to be delivered.

\*\*\*Given the shortest period of the semester, weekends particularly Saturday will be used as regular class day but formal examination and continuous assessment shouldn't be administered on this day.
